

## TRANSPORT

The school provides transportation facility to the students. Travelling by school bus is an occasion to cultivate good habits like patience, co-operation and concern for others. Parents have to register their children with the details of boarding and alighting points at the office in the prescribed form. Those students desiring to make use of bus facility have to register for the whole year - June to March (10 months) and pay the fees in advance on quarterly or annual basis and acquire the bus pass.
